

BOE Meetings Schools of the Month

Making a presence at public hearings can make an impact on county officials! This schedule was made to ensure that CCEA has representation at EACH Board of Education Meeting. We are requesting each school send 2-5 members. We want to continue engaging, educating and involving members and this schedule also allows everyone to take a turn! **HOWEVER**, feel free to attend as many BOE Meetings as you wish! Educators have received an eye opener at some of these meetings. Please take one hour to observe firsthand how these meetings affect your job! Feel free to speak as an individual during the Citizen Participation portion on the agenda. All meetings will be held in the Charles I. Ecker Boardroom at the Board of Education offices and start at 4:00. Mr. Guthrie assured us that with a flexible agenda, Citizen Participation and Employee Group Sharing will be later in the agenda.
