President's Note:

I want to take this time to thank all of our Members for a very successful year. It has been a pleasure and honor to be your President. I also want to thank my Board of Directors, Negotiations Team, By-Laws Committee, and Professional Development Committee for all of your hard work this year. And let's not forget Sean McKillop, our wonderful UniServ.

Here are some of our accomplishments: Negotiated a great contract with 3 years of salary increases, Language for an In-Service day for Clerical Staff, Bullying Language, Fair Share, New and Updated By-Laws, Increased membership by 10%, held 5 General Membership Meetings to keep members engaged and informed, our new Facebook page, new website, prevented layoffs with 3 school closures, language in contract for a full-time release President (for when our membership grows), safe working condition language, rallied with CCEA for Better Salaries, cap on student testing and so much more..... Again thank you for making my first year as President so successful. I am looking forward to next year!
